

Everything DiSC® Management teaches managers how to bring out the best in each employee.

Everything DiSC Management is classroom training that uses **online pre-work, engaging facilitation** with **contemporary video**, and **online follow-up** to create a personalized learning experience.

Using DiSC®, a powerful yet easy-to-use, research-validated learning model, participants recognize and understand the styles of the people they manage. The result is managers who adapt their styles to **manage more effectively**.

EVERYTHING DiSC MANAGEMENT FOCUSES ON:

- **Your DiSC Management Style**
- **Directing and Delegating**
- **Motivation**
- **Developing Others**
- **Working with Your Manager**

Participants learn about their strengths and challenges as managers and how to adapt to meet the needs of the people they manage — making them more effective managers.
