

Bishop House #Leadwell Program Participants by Industry

"I found the Leadwell program so beneficial and each week I was able to take something new away and apply it to my daily life. The content was always relevant, and you were able to personalize each session."

"It doesn't matter whether an organization is small or large, this training will enable managers to be better, more successful leaders and interpersonal communicators."

"It was a great experience and I'm sad that it's over but I know that I have the tools and resources to continue growing into a great leader."

"I was very excited to learn and grow as a new supervisor coming into this program, and I felt my expectations were surpassed. You guys did amazing and I am so thankful I was able to participate in this."

"I can comfortably say that this is the best leadership/coaching course I've taken so far, and the one I've pulled the most out of."

"I had high expectations going in, and was still blown away by the course, content, and how useful I feel the information has already been."

"I got a lot more out of this program than I thought I would and would highly recommend it to anyone interested in bettering themselves as a leader."

"The Leadership Training with Bishop House helped me immensely from learning my own personal DiSC style, to learning the style of those around me, to better communicate and increase overall efficiency in my department."
